Compared to last week: Feeder lambs under 70 lbs sold sharply higher with most sales 20.00-30.00 higher. Feeder lambs 70-79 lbs sold steady to sharply lower. 80-110 lbs sold sharply lower with most sales 30.00-40.00 lower, lambs over 110 lbs were not well compared however lower undertones were noticed. Slaughter lambs were not well tested last sale as most lambs sold to feeder buyers, no comparison is available. Ethnic demand helped push light lambs steady to higher this sale. Ethnic demand was good to very good for lambs lighter than 73 lbs. Ethnic buyers would buy bigger lambs for harvest if they were a good value. Most of the lambs over 75 lbs that were purchased as slaughter lambs were undesirable to feed. Most commonly these lambs were short docked or packing some extra flesh. Heavy supplies of lambs are starting to be seen as lambs are getting gathered off forest service and BLM leases. This is putting heavy supplies of lambs on the market. Traditional lamb feeders were in the market again this week but were only purchasing high quality reputation lambs and passed on plain or average quality lambs. Most feeder lambs continue to be purchased to turn out on grass or unharvested crop land until the market improves. Slaughter ewes sold on mostly 4.00-6.00 higher on good and utility ewes. Ethnic demand continues to drive this market as it moves counter-seasonal to historical seasonal lows. Slaughter ewe often outsold lambs today on a per head basis as ethnic demand pushed ewes higher. Slaughter kids were scarcely tested last sale as it featured lambs. Compared to the last test on 8/8/22 kids sold mostly 10.00-15.00 higher. Demand for slaughter kids was stronger this sale as ethnic demand drove prices higher. Supply included: 51% Feeder Sheep/Lambs (98% Lambs, 2% Hair Lambs); 31% Slaughter Sheep/Lambs (46% Woolled & Shorn, 7% Hair Breeds, 38% Ewes, 5% Hair Ewes, 4% Bucks); 0% Replacement Sheep/Lambs (100% Ewes); 3% Feeder Goats (100% Kids); 15% Slaughter Goats (71% Kids, 16% Nannies/Does, 3% Bucks/Billies, 10% Wethers).
